Wednesday Golf Clinic – Expression of Interest 2026

Expression of interest closes 9th January 2026

Successful applicants will be contacted no later than 21st January 2026

In 2026, Roseville Golf Club will run its Wednesday Clinic to assist both beginners (who have good hand eye co-ordination) and those who already have some golfing skills, to facilitate their transition to regular golf playing membership. Our expectation is that, at the end of the clinic, participants will join the Club as a member; play competition golf or social golf regularly; and support the Club's bistro, bar and pro shop.

The clinic is run for 38 weeks every Wednesday morning from 18th February 2026 to 4th November 2026 (including school holidays). Details of the program can be found on the overview document.

We encourage you to stay after your game for a refreshment, where you can socialise as a group and discuss relevant points of the golf game. Golf equipment may be borrowed from the pro shop for the first 2-3 weeks. We do, however, ask you to bring your own set of clubs, as these will be required for the duration of the clinic.

This clinic is extremely popular and generally over-subscribed. To assist consideration of your clinic application, please describe in your own words:

Why are you interested in this clinic? _____

If you enjoy the clinic, when would you intend joining RGC? _____

What is your golfing or other sporting background? _____

Have you ever taken golf lessons? _____

Any other relevant information which may assist consideration of your clinic application? _____

Please complete the expression of interest form on the next page and return this entire document to the office at Roseville Golf Club. Alternatively, please email it through to admin@rosevillegolf.com.au
