

Roseville Golf Club – Cadet Membership Requirements

Membership Category: Cadet Member

Age Range: 10–13 years

Eligibility: To qualify for Cadet Membership, applicants must be under the age of 13 on 1st October.

Cadets must be accompanied and supervised by a responsible adult at all times.

Membership Requirements and Process

Step 1: Junior Academy Clinic Trial

- Prior to acceptance, all prospective Cadet Members must attend the **Junior Academy Clinic** for **two consecutive Sundays** during the school term.
- During this trial, applicants will be assessed by one of the Club's professional coaches ("the pros").
- The purpose of this trial is to determine whether the applicant is ready to join the Club and continue in the Development Squad.
- **Important:** Attendance does not guarantee membership.

Step 2: Membership Offer

- Following the two Sunday trials, the assessing professional will provide a recommendation:
 - **Membership Offer:** If deemed ready, the applicant will be offered Cadet Membership and a place in the Junior Academy. If the membership category is full, they will be added to the waitlist and advised when a position becomes available.
 - **No Membership Offer:** If deemed that the applicant is not yet ready to join the Club, membership will be declined.
- **Guest Policy:** During this stage, Cadet Members are **not permitted to invite guests** to the Club.
- **Course Privileges:** No play is permitted on the course outside of the Junior Academy. Members can, however, use all of the Club's practice facilities.

Step 3: Development Assessment for Course Privileges

- Continued participation in the Junior Academy allows the pros to monitor progress. **Members must commit to a minimum of 80% attendance to continue in the Academy.**
- When the professional determines the Cadet Member has reached an appropriate standard, they will be approved to **play on the course with other Club members**, outside of the Junior Academy.
- A Cadet Member may request assessment by the professional at any time if they wish to gain course privileges.

Step 4: Development Assessment for Guest Privileges

- Once the professional confirms the Cadet Member has reached the necessary standard, they will be approved to invite guests to the Club (18 years and above).
- A Cadet Member may request assessment by the professional at any time if they wish to gain guest privileges.

Notes

- The Club reserves the right to make final decisions regarding Cadet Membership eligibility.
- Commitment, attendance, and demonstration of appropriate skills and etiquette are key factors in membership approval.
- The Junior Academy Clinic provides a supportive environment for skill development, while maintaining the Club's standards.
- **Junior Academy Hours (Sundays during school term):**
 - **Clinic:** 11:00 am – 12:00 pm
 - **Course Play:** 12:30 pm – 5:00 pm
